How to access your child's report via ESF App

Cambridge Primary Insight standardised assessment

Step 1

Step 2

If you have any technical issues, please email our RDC Help Desk at helpdesk@rchk.edu.hk.

What is the ESF App?

The ESF App is a user-friendly mobile platform through which parents receive all school announcements. ESF App is connected with our Gateway database and the Virtual Learning System (VLE), also known as PHI, through which parents can access students' academic results, report a child's absence or schedule Parent-Teacher conferences.
