Learning experience description

🎨 Get ready to create some powerful art!

Your challenge: Make a mixed-media artwork that shows one of these emotions – joy, fear, hope, anger, or sadness.

Use at least 3 different materials in your artwork – you can mix things like paint, paper, fabric, string, or magazine cut-outs. Be creative!

📝 When you're done, write a short artist statement that explains:

- Which emotion you chose
- Why you picked it
- How the materials and details in your artwork help show that feeling

Have fun expressing yourself—your art has the power to speak without words! ✨
